## About the Faculty

The Faculty of Law of the Trnava University in Trnava, is an important centre of legal education and legal research that emphasizes on moral values and fundamental principles of democracy and rule of law. Their activities are focused on the teaching, interpretation, and application of the national public and private law, international law, and European law. Our faculty declares that their educational and scientific activities want to serve the truths, equities, freedoms, ideals of humanity, and protection of moral and spiritual values. Faculty nurtures and educates following their core values, in the spirit of ecumenism, tolerance, and mutual respect.

The Faculty has earned moral credit and scientific reputation within and outside of the legal community in Slovakia. Faculty is a member of the International Association of Law Faculties (IALF) and the European Association of Law Faculties (ELFA).

The Faculty has also adapted its educational system in a way that corresponds to the quality of knowledge.

## EUROPEAN LEGAL STUDIES

### Why study European Legal Studies

- According to the independent Slovak civil association Academic Ranking and Rating Agency (ARRA) and its annual evaluation of universities in Slovakia within the period of its activity, our Faculty has been the best faculty of law in Slovakia for 5 consecutive years
- Labour Market: The programme is designed for students interested in pursuing a career in various legal professions, both in and outside the European Union. Graduates go on to careers in internationally-oriented law firms, in-house law departments in multinational companies around the world, EU institutions, national public institutions responsible for private law legislation, and adjudication and academic research. Getting a one-year permanent visa for EU countries is a good opportunity for the students to establish business contacts in the EU using the knowledge's about doing business in the EU
